Brushes & Rollers

Professional Synthetic Paint Brushes

A premium paint brush for exceptional paint holding capacity and long brush life. The synthetic fibres combine softness for a smooth finish and ease of paint flow for better control and precision.

- No bristle loss
- Super smooth finish
- Compatible with vapour box
- Optimum pick up & release
- Precise & sharp cutting in

Flagged Bristle Tips

Split tips optimise paint pick up and release providing greater control and precision.

Paint brushes are available in Sets of 3 or 5

For use with all paints & varnishes

Protective Films & Dust Sheets

Protective Films

Highly effective self-adhesive protective film.

Carpet and hard surface films protect against foot traffic, debris, spills etc. during decoration and building works.

Glass film protects both internal and external windows from plaster and paint splashes etc.

Film can be left up to 30 days before simple removal.

Note: Please ensure you have read and fully understood the usage guidelines before installation.
